

Binka and the hot day

Binka has three houses, one, two, three.

What a hot day!

Binka!

Binka is a very thirsty cat, but it's not very easy to get a drink when your water ball is empty.

Binka!

Aaaah, that's good. On a hot day there is nothing better than a cool drink. Friends should not pant in each other's faces, even on a hot day. Tango is thirsty too. Save some more for Binka, Tango!

Oooh, Tango. Never mind. On a hot day is very important to find a shady spot to lie down in. Especially when there's nothing to drink.

It's cool and comfortable in the shade. On a hot day it's important to lie down as flat as possible.

Ahh. That'll do. On a hot day there's nothing better to do, than to do nothing.

Oooh. Sometimes friends can be very annoying. Move over Tango! It's too hot to lie down next to each other.

What is that thing. On a hot day everybody starts panting. wow! What a clever idea! it's a giant water ball! Even Tango can't drink all the water in that bowl. Hey! That's not the way to use a water ball. You are going to make the garden all wet! Water is great for drinking, but Binka doesn't want to get wet. Even on a hot day. Wet places are not very good for lying down/ Noo, Tango, No!

Oh dear, Binka's waterball is still empty. Binka! Ahh, Yes, on a hot day there is nothing better than a cool drink. Especially when you have a water ball all to yourself.
